

# Wish List

**Yard Brushes:** Our grooms are sweeping up every day and it would make their life easier to have some better brushes, 3-4 of each type would be ideal.

**Feed Buckets:** We have over 100 horses / ponies / donkeys and many need 2 feeds a day, if you can donate 1-2 or even 20 we will make good use of them! (S1 Feed skip)

**Mane and tail brush:** Our grooms and volunteers love to groom the animals, 3-6 more brushes would make it easier for us.

**Water buckets:** We fill our 24 stables every farrier day and need plenty water buckets to keep our horses happy while they wait their turn, we need 10-20.

**Stable Toys:** When our animals have to stay in the stables, we like to give them something to play with, it keeps them happy and makes life more fun!

**Wheelbarrow:** Well...we have over 100 animals, that 's a lot of dung that needs lifted! It keeps our grooms fit but an extra wheelbarrow or two would be handy!

**Rugs:** 3 ' 9 - 4 ' 6 Heavyweights, any sizes light/medium/heavy would be useful. Fly sheets: 4 ' 0, 4 ' 3, 5 ' 3, 6 ' 3. Boet rugs would be even better in particular 4 ' 0 and 5 ' 6.

**Hay forks:** To save our grooms fighting over the good hay forks, a couple more would be greatly appreciated, 3 and 4 prong if possible.

**Shavings:** When our horses come in with sore feet they need a deep bed to keep them comfy, we go through a lot of shavings when we have a few horses in so donating a few bales regularly would help us a lot.

**Feed:** Donations of Spillers Happy Hoof, Conditioning Fibre, High Fibre Cubes, Conditioning Cubes, Equilibrium (conditioning), Saracen Equijewel, Donkey Diet, NAF Pink Powder, NAF Devils relief, Dodson and Horrell Milk Thistle and Oil will always get used.
